St. Paul Lutheran ECM is a ministry of St. Paul Lutheran Church—Missouri Synod. The LCMS is a mission-oriented and Bible-based denomination that confesses the Christian faith in the Triune God, Father, Son and Holy Spirit. A full statement of belief is published in our Parent Handbook and is available upon request.

Our Philosophy *God teaches in Proverbs 22:6; "Train up a child in the way he should go, and when he is old, he will not depart from it." The purpose of St. Paul Lutheran ECM is to reach out with Christ's love to serve children and their families. We are committed to Christian Education by providing all the essentials to those we reach in order to train the whole child. Through the use of age appropriate developmental practices, teacher directed activities, hands on experience and play, we teach to the child's spiritual, social, emotional, cognitive and physical needs.*

2019-2020 Information Brochure

Preschool & Half Day Kindergarten

St. Paul Lutheran Early Childhood Ministry

Reaching out with Christ's love to serve and grow through early childhood education.

Our Curriculum

Our commitment is to nurture children's spiritual growth and their love of learning. Degreed teachers provide a warm, Christian environment, while our small class sizes and developmentally appropriate curriculum help prepare children for the next steps in their education.

All of our classes have daily **Jesus Time** where children learn about their Savior, Jesus. Bible stories, prayer, and praise through singing are incorporated into lessons.

Music classes are led by our Minister of Music. Students are taught rhythms, note values and music appreciation. The **Minds in Motion** maze is conducted daily. Children begin their day in our maze of activities to stimulate their vestibular system and prepare them for the days' learning. The maze changes monthly.

Preschool standards are presented in thematic lessons.

+Language Arts: Phonemic awareness, alphabet skills, writing and communication skills.

+Math: Number sense, seriation, position and comparison words, simple addition and subtraction.

+Listening Skills, Social Interaction, Science, Art and Fine & Large Motor skills are also addressed.

Kindergarten follows the Indiana Academic Standards.

In addition to the above, Kindergarten includes;

+Language Arts; Phonics, reading, writing, literature & grammar

+Mathematics: Number Sense, computation, geometry

+Social Studies and Science, Computers and Art

"I like that Kindergarten is just half-day but offers just as full of a program as a full day. I appreciate the learning of music with the weekly music classes. The whole school has a very family feel to it and as a parent I am grateful to know that each morning I drop my child off she will be as safe and as loved as if she were at home with me."
Jackie Arnholt

Why St. Paul ECM?

- **Christ Centered, Developmentally Appropriate Curriculum with Mapping**
- **Degreed, Experienced Teachers**
- **Accredited by National Lutheran School Accreditation**
- **Affordable Tuition**
- **Extended Care Available**

"I love how St. Paul ECM develops the whole child! I've seen my child grow physically, socially, emotionally and academically. The staff is outstanding and always positive. I've loved having a Christ based school for my child's first two years of schooling."
Beth Flamion

"I attended St. Paul Early Childhood Ministry when I was 3. I made lifelong friends. My 4 year old now attends preschool at St. Paul and has already learned so much! The staff is very friendly, always updating on events to come and having an open door policy, which I love!"
Megan Freeman
